

Accessing the IEEE CASS Resource Center

The IEEE CASS Resource Center is a home for all CASS related videos, eBooks, and educational content generated by the CAS Society. The Resource Center adds value to the CASS member experience by consolidating, storing, and making CASS materials easily accessible.

All Resource Center content is free for CASS members. Non-members may also access all the CASS Resource Center content for a nominal fee.

To get started with the [Resource Center](#), follow these simple instructions:

1. Go to the Resource Center ([click here](#)). Sign in at the upper right-hand corner using your IEEE credentials.

The screenshot shows the IEEE CASS Resource Center homepage. At the top, there is a navigation bar with links for IEEE.org, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. On the right, there are links for 'Create Account' and 'Sign In'. The main header features the CAS logo, the text 'IEEE Circuits and Systems Society Resource Center', and the IEEE logo. Below the header is a green navigation bar with dropdown menus for 'Education', 'Publications', and 'Conference Videos and Slides', along with links for 'Home', 'IEEE CAS Website', and 'Join IEEE CAS'. A search bar is also present. The main content area features a large banner for 'Analog and Mixed Signal Circuits and Systems' CAS eBook, with pricing for CAS Members (Free), IEEE Members (\$11.00), and Non-members (\$15.00). Below the banner are sections for 'CAS Resource Center Contents' and 'Archive', each displaying several book covers with their titles and pricing. A 'Recent Items' section is also visible on the right.

2. You will be taken to a new window where you can enter your IEEE username and password. Click sign and you will be taken back to the CASS Resource Center.

The screenshot shows the IEEE sign-in page. The title is 'IEEE - Sign in to access the secure content'. On the left, there is a section for 'Don't have an IEEE Account yet?' with a list of benefits: 'sign in to various IEEE sites with a single account', 'manage your membership', 'get member discounts', 'personalize your experiences', and 'manage your profile and order history'. Below this is a 'Create account' button. On the right, there is a 'Sign in' form with fields for 'Username' and 'Password', and a 'Sign in' button. Below the form, there are links for 'IEEE Members: Forgot username or password' and 'IEEE Employees: Forgot username or password'.

- Select which product you would like to download. Use the navigation menu on the top to view products, then select which product you would like to access. Click on the product.

- Regardless of whether you are an CASS member or not or whether or not the item you have selected is free for you or not, you will still have to add items to you cart and checkout. To do this, scroll down and click "Add to Cart".

- You will be brought to a new screen. Click "Proceed to Check Out" and be sure to review your subtotal. (Note: At this stage, you can edit you cart and remove any items).

- If you have selected an item which requires payment you will be instructed to provide your method of payment. A pop-up screen will prompt you to enter your credit card information and click "Continue Checkout". You can also pay via PayPal.

Add Credit Card

Enter credit card information:

* Required fields

* Credit card:

* Credit card number:

* Expiration date:

* Security code:

* Name on card:

Description:
(e.g., My corporate card, My personal card, etc.)

Store this card for future purchases?:

Make this my primary card: This card will be designated as your primary card for purchases made through IEEE.

Credit card billing address

Use address on file:

OR

* Choose your country/region:

* Address:

* City/Town:

* State:

* Zip:

- You will be brought to a new screen again. Click on the checkbox next to "I have read and agreed to the IEEE Terms & Conditions". Click Place My Order.
