

# CASS Institute for Global Education Products and Services

1

## IEEE CASS Resource Center

High-value technical resources accessible from any location, anytime

2

## IEEE Learning Network - CASS

Discover CASS Continuing Education program

3

## IEEE CASS Microlearning (CASS MiLe)

Bite-sized, Personalized, Competency-based education on CASS e-learning platform

## GOAL

To become a major resource of choice for learners in all educational matters within CASS's fields of interest.

## LEARNERS

Engineering and scientific community, and the general public in educational pursuits:

- Members
- Students (pre-univ, Univ/college, post-grad)
- Practitioners (Young professionals, Seasoned Professionals)
- Educators
- Retirees

4

### **Seasonal Schools in Circuits and Systems (SSCAS)**

Share your work and collaborate within the CAS community.

---

5

### **CASS Distinguished Lecturer Program**

Enhance your professional knowledge and vitality by keeping informed of the latest research results and their practical applications.

---

6

### **CASS-Wide Webinar Program**

Delivers high-quality talks on the field of interest of the CAS community.

---

7

### **Entrepreneurial Journey in Circuits and Systems**

Learn methodologies for innovation generation, write & pitch business plan

---

8

### **Experiential Learning in FPGA Design**

Learn through concrete experiences and effective demonstrations of knowledge and skills acquired

9

### **IEEE CASS Blitz**

Compete for honor and being spotlight by solving questions covering the field of circuits and systems
